## ABOUT SADABAI RAISONI WOMEN'S COLLEGE, NAGPUR

Sadabai Raisoni Women's College, Nagpur, established in 2006, is affiliated to S.N.D.T Women's University, Mumbai. S.N.D.T was established by Maharishi Dhondo Karve in 1916 aiming towards women's empowerment through education. The University has the distinction of being the first women's university not only in India but in the entire south-east Asia.

The college is a part of Raisoni Group of Institutions (RGI), which is one of the premiere group in the field of education in Central India and is known for its committed efforts towards catering quality education to the aspirants and providing them with the suitable industrial opportunities through its various placement drives.

## ABOUT MAZEDAN INTERNATIONAL RESEARCH ACADEMY

Mazedan International Research Academy is an association of international scholars aimed at promoting research and development through various means. It was established on July 29, 2009, in Ankara. Mazedan has also started a publishing house in New Delhi in 2019 to expand its global reach. Mazedan aims to undertake initiatives that are global and thus transcend what any one association can accomplish in its own country, region, or area of specialization. Mazedan is ranked to be in the forefront in the promotion of education with cutting edge interest, active action research, and service with a smile to human concerns performing the way it believes in for a better world.

## ABOUT THE CONFERENCE

The COVID-19 pandemic has resulted in unprecedented upheaval around the world and ushered us to a 'new normal.' At the corporate and individual level, the way people work and live has been changed and research has shown most changes would remain permanent. In several industries such as public services, healthcare, finance and retailing; businesses and organizations had to transform so as to engage with customers and clients through digital platforms. The organizations are accelerating digital transformation, tapping into technologies and adopting innovative solutions specifically designed to help build smart businesses and smart cities in the post-Covid-19 world.

**International Conference on Advances in Management and Technology** will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of computer science and management studies. The goal of this conference is to bring together researchers and practitioners from academia and industry to exchange and share their experiences and research results on all aspects of Advances in Technology and Management.

Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, surveying works and industrial experiences that describe significant advances in the areas of Computer Science, Information Technology and Management Studies.

## SCOPE

- ICAMT is an international peer-reviewed and academic research conference dedicated to publish and disseminate high-quality scientific research work in the broad fields of Technology and Management.
- All abstracts in the engineering, technology and management are welcomed in ICAMT-2021, which can be presented by the authors in online mode.

## PUBLICATION

- All the accepted abstracts will be published in an Abstract-Book with ISBN (Online).
- Full papers will be published in the Reputed International Journals or journals indexed in renowned databases.
